Subject: RE: YEC BUS mileage

Importance: High

Tom,

Based off the mileage that was provided by the nice lady at Ben Franklin Transit, here is what we came up with:

Bus # YEC	***BFT removed from service***	***Mileage***	***2012 YEC***	***2013 YEC***	***2014 Total mileage***
7104	August				
2012	652,017	10,755	31,728	6,795	701,295
7105	June				
2012	867,079	21,046	40,611	6,835	935,571
7106	August				
2012	946,040	10,686	43,241	7,958	1,007,925
7107	August				
2012	841,771	11,309	50,545	5,807	909,432

Make a little more sense?
