**Release Date: Monday, October 13<sup>th</sup>, 2014**

## **Repaving Project to Impact Traffic on 22<sup>nd</sup> Avenue**

A repaving project on 22<sup>nd</sup> Avenue will result in the closure of the road between St. Helens Street and Bonnie Doon Avenue for most of each day on Tuesday, October 14<sup>th</sup> and Wednesday, October 15<sup>th</sup>.

That section of 22<sup>nd</sup> Avenue will be closed from 8:00 am to 3:00 pm while the project is underway. Detour routes will be available to allow drivers to avoid the project area.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the project area will be impacted, but will be maintained when possible. Emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
