Subject: 40th and Nob Hill Intersection Project

Contact: Construction Supervisor Bruce Floyd – 575-6138

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Tuesday, May 19th, 2015

Intersection Restriping Project to Impact Traffic at 40th and Nob Hill

The intersection of 40th Avenue and Nob Hill Boulevard will be closed from 10:00 pm on Wednesday, May 20th through 2:00 am on Thursday, May 21st while a restriping project is completed.

During the project, no traffic will be allowed through the 40th and Nob Hill intersection. Detour routes will be in place during the project. Drivers can avoid the project area by following the detour routes from Nob Hill to Washington Avenue via 48th Avenue or via 24th Avenue.

While the project is underway, drivers can expect delays on roads near the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area when necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Construction Supervisor Bruce Floyd at 575-6138.
