**Subject: East Nob Hill Blvd Water Service Repairs**

**Contact: Water Distribution Supervisor Emilio Lopez – 575-6196**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Monday, June 15<sup>th</sup> 2015**

## **Drinking Water System Repair to Impact Traffic on East Nob Hill Boulevard**

Water service repairs will affect traffic in the westbound lanes of East Nob Hill Boulevard on Tuesday, June 16<sup>th</sup>. The project will begin at 7:00 am and should be completed by 3:30 pm.

While the work is underway, westbound traffic will be reduced to a single lane on East Nob Hill between South Fair Avenue and South 13<sup>th</sup> Street near the fairgrounds.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area when necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
