Utility Work to Close a Portion of Kern Road

Repairs to a water line will result in the closure of Kern Road between North 39th Avenue and North 40th Avenue on Tuesday, July 28th. The work will begin at 7:00 am and should be completed by 3:30 pm.

Because of heavy traffic volumes, drivers can expect delays in and around the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
