**Subject: Fire Hydrant relocation South 16<sup>th</sup> Avenue and Nob Hill Blvd**

**Contact: Water Distribution Supervisor Emilio Lopez – 575-6196**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Friday August 15, 2014**

## **Utility Work to Impact Intersection of 16<sup>th</sup> Ave and Nob Hill Blvd.**

Relocation of a fire hydrant and setting a new base for a street light will affect traffic at the intersection of South 16<sup>th</sup> Avenue and West Nob Hill Boulevard on Tuesday, August 19<sup>th</sup>. The work will begin at 6:00 am and should be completed by 3:30 pm.

Northbound traffic on 16<sup>th</sup> Ave will be restricted to one lane at the intersection and eastbound traffic on Nob Hill Blvd will be limited to a single lane in the construction area.

Because of heavy traffic volume at this intersection, motorists can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Emilio Lopez, Water Distribution Supervisor at 575-6196.
