**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Wednesday, July 16<sup>th</sup>, 2014**

## **Repaving Project to Impact Traffic on Pacific Avenue**

A three-block section of Pacific Avenue will be closed to all traffic for most of the day from now through July 30<sup>th</sup> while crews repair and repave the street.

Pacific between 6<sup>th</sup> Street and 9<sup>th</sup> Street will be closed from 5:30 am to 4:00 pm while the project is underway. Detour routes will be available to allow drivers to avoid the project area. The three-block section of Pacific will be open to local traffic overnight.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the area will be maintained and traffic will be allowed through the project area when possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
