Subject Speed Bump Installation Project

Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Tuesday, September 30th, 2014

Installation of Speed Bumps Will Impact 45th Avenue Traffic

Installation of speed bumps will impact drivers during most of the day on October 1st on the portion of 45th Avenue between Summitview Avenue and Chestnut Avenue.

That section of 45th Avenue will be closed to all through traffic on Wednesday, October 1st from 7:00 am to 3:00 pm while the speed bumps project is underway.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the project area will be impacted, but will be maintained when possible. Emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
