Utility Work to Close a Portion of West Chestnut Avenue

Repairs to a water line will result in the closure of West Chestnut Avenue between South 16th Avenue and South 17th Avenue on Wednesday, August 19th. The work will begin at 7:00 am and should be completed by 3:30 pm.

Because of heavy traffic volumes, drivers can expect delays in and around the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
