SPECIFICATIONS
BID NO. 11419 SOLAR SALT**

I. GENERAL

A. Scope

It is the intent of these specifications to describe Solar Salt Extra Coarse in sufficient detail to secure bids on comparable product. Any variance from the specifications or standards of quality must be clearly pointed out in writing by the bidder.

B. Term

The period of this contract shall be for a period of one year from its effective date. The City may, at its option, extend the contract on a year to year basis for up to four additional years provided, however, that either party may at any time during the life of this contract, or any extension thereof, terminate this contract by giving thirty (30) days notice in writing to the other party of its intention to cancel. Contract extensions shall be automatic, and shall go into effect without written confirmation, unless the City provides advance notice of the intention to not renew. Price shall remain firm for the first twelve month period of the contract unless an exception is stated in the bid.

C. Right to Reject/Accept

The City of Yakima reserves the right to reject any or all bid or accept any presented which meet or exceed these specifications, and which would be in the best interest of the City and will not necessarily be bound to accept the low bid.

D. Acceptance of Terms

Acceptance of a City Purchase Order (PO) for any units affiliated with this purchase constitutes acceptance of, and agreement with, all of the general and specific requirements and stipulations listed in this boiler plate, and in the attached equipment specification(s); including all penalties mentioned.

E. Exceptions

Specifications of the equipment bid shall be equal to or better than the specifications stated herein and all exceptions to these specifications shall be so listed on a separate sheet headed "EXCEPTIONS TO THE SPECIFICATIONS", and shall be in exact number reference sequence with this "INVITATION TO BID" specifications. Any Bid submitted without exceptions will be required to meet every detail of these specifications regardless of cost to the successful vendor.

Where "NO EXCEPTIONS" are shown, none will be allowed. No exceptions will be considered that may tend to devalue the equipment or give an individual bidder who is offering a lesser item a distinct advantage.

F. More or Less

Quantities are estimated only and shall be bid on a MORE OR LESS basis. For the purpose of comparison, bids shall be made on solar salt in the quantities listed in the specifications. Listed quantities shall not be considered firm estimates of requirements for the year, nor shall the City be bound or limited to quantities listed. Payment will be made only for quantities actually ordered, delivered, and accepted, whether greater or less than the stated amounts.

G. Quantities

The City does not bind itself to purchase the full quantities stipulated in the proposal as estimates. The quantities shown as estimates are not exact and are given for the purpose of comparing Bids upon a uniform basis. It is estimated that the City will order 165 tons per year. Payment will be made only for quantities actually ordered, delivered, and accepted, whether greater or less than the stated amounts. **There shall be no minimum order requirement.**

H. Other City Departments/Like Items Added

At any time during the term of this contract, or any extension thereof, other City departments may be served under these same terms and conditions. Additional like items may be added at the request of the Purchasing Manager.

I. Expansion Clause

Any resultant contract may be further expanded by the Purchasing Manager in writing to include any other item normally offered by the vendor, as long as the price of such additional products is based on the same cost/profit formula as the listed item.

J. Interlocal Purchasing

The Washington State Interlocal Cooperative Act RCW 39.34 provides that other governmental agencies may purchase goods or services on this solicitation or contract in accordance with the terms and prices indicated therein if all parties agree. The City does not accept any responsibility or involvement in the purchase orders or contracts issued by other public agencies.

K. Indemnity/Contractor’s Liability Insurance.

(A)The Service Provider agrees to indemnify and save harmless the City/County, its officers, agents and employees against and from any and all actions, suits, claims, demands or liability of any character whatsoever brought or asserted for injuries to or death of any person or persons, or damages to property arising out of, result from or occurring in connection with the performance or any service hereunder.

(B)The Service Provider shall take all necessary precautions in performing the work hereunder to prevent injury to persons and property.

Commercial General Liability: Combined Single Limit: \$1,000,000 Per Occurrence
\$2,000,000 Annual Aggregate

Auto Liability: Combined Single Limit \$1,000,000 Per Occurrence

The City of Yakima/Yakima County, its agents, employees, authorized volunteers; elected and appointed officials are included as Primary/Non-Contributory additional insureds.

If Contractor carries higher coverage limits, such limits shall be shown on the Certificate of Insurance and Endorsements and City of Yakima/Yakima County shall be named as an additional insured for such higher limits.

The Contractors’ insurance coverage shall be primary insurance with respect to those who are Additional Insureds under this agreement. Any insurance, self-insurance or insurance pool coverage maintained by the City/County shall be in excess of the Contractor’s insurance and shall not contribute to it.

The contractor will provide a Certificate of Insurance to the City/County as evidence of coverage. A copy of the additional insured endorsement attached to the policy will be included with the certificate. This Certificate of insurance shall be provided to the Purchasing Manager, prior to commencement of this work.

If at any time during the life of the contract or any extension, the contractor fails to maintain the required insurance in full force and effect, all work under the contract shall be discontinued immediately. Any failure to maintain the required insurance may be sufficient cause for the City/County to terminate the contract.

The contractor shall also maintain workers compensation through the State of Washington.

(D)Contractor's Waiver of Employer's Immunity under Title 51 RCW. Contractor intends that its indemnification, defense, and hold harmless obligations set forth above in section A. shall operate with full effect regardless of any provision to the contrary in Title 51 RCW, Washington's Industrial Insurance Act. Accordingly, to the extent necessary to fully satisfy the Contractor's indemnification, defense, and hold harmless obligations set forth above in section A, Contractor specifically waives any immunity granted under Title 51 RCW, and specifically assumes all potential liability for actions brought by employees of the Contractor against the City/County and its officers, employees, agents, and volunteers. The parties have mutually negotiated this waiver. Contractor shall similarly require that its subcontractors, and anyone directly or indirectly employed or hired by Contractor, and anyone for whose acts Contractor may be liable in connection with its performance of this Agreement to comply with the terms of this paragraph, waive any immunity granted under Title 51 RCW, and assume all potential liability for actions brought their respective employees. The provisions of this section shall survive the expiration or termination of this Agreement.

(E)Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Contractor and the City/County, its officers, officials, employees, and volunteers, the Contractor's liability hereunder shall be only to the extent of the Contractor's negligence.

K. Guarantee

Any defective materials received will be replaced at the Vendor's expense at the time the defective part is discovered.

L. Warranty

Any materials and labor provided shall carry standard warranty coverage furnished by the trade in general. Bidder shall state terms and conditions of guarantee/warranty.

M. Unit Prices

Unit prices bid shall be net exclusive of all taxes; and must include all transportation, delivery and unloading costs fully prepaid F.O.B. destination, inside delivery.

N. Rates and Price Increases

Pricing shall be prepared with the following terms. The Purchasing Manager may exempt these requirements for extraordinary conditions that could not have been known by either party at the time of bid or other circumstances beyond the control of both parties, as determined in the opinion of the Buyer.

Requests for Rate Increases must be delivered to the City Purchasing Manager in accordance to the rules below. No other employee may accept a rate increase request on behalf of the City. Any invoice that is sent to the City with pricing above that specified by the City in writing within this Contract or specified within an official written change issued by City Purchasing to this contract, shall be invalid. Payment of an erroneous invoice does not constitute acceptance of the erroneous pricing, and the City would seek reimbursement of the overpayment or would withhold such overpayment from future invoices.

1. **Discount from Manufacturer List Pricing:** For all contract items that are priced as a discount below Manufacturer List prices, there shall be no changes to the discount rate throughout the life of the contract. As manufacturer list prices change, the net price to the City will automatically change in the same percentage as the discount rate to the City.
 - The United States published indices such as the Consumer Price Index or other government data may be referenced to help substantiate the Vendor's documentation. A link to the CPI Data is available at <http://data.bls.gov/PDO/outside.jsp?survey=wp>.
 - The Adjustment (if any) shall remain firm and fixed for at least 365 days after the effective date of the adjustment.

- Should not deviate from the original contract pricing scheme/methodology
2. **Fixed Product Pricing:** For product and supply contracts that provide on-going, multiple year supply. Original pricing shall be fixed and firm for the first year of the contract. Price requests are at the discretion of the Purchasing Manager; and must also be:
- The direct result of increases at the manufacturer's level (or if Vendor is a supplier of a raw material delivered directly to the City such as brass, the increase must be verified at the supplier level).
 - Incurred after contract commencement date.
 - Not produce a higher profit margin than that on the original contract.
 - Clearly identify the items impacted by the increase.
 - Be filed with Purchasing Manager a minimum of 30 calendar days before the effective date of proposed increase.
 - Be accompanied by detailed documentation acceptable to the Purchasing Manager sufficient to warrant the increase.
 - Should not deviate from the original contract pricing scheme/methodology.

O. Price Decreases

During the contract period and any renewals thereof, any price declines at manufacturer's level shall be reflected in a reduction of the contract price to the City, retroactive to the date they were effective to the vendor.

P. Payments

Vendor is to submit properly completed invoice(s) to the address specified on the purchase order. To insure prompt payment each invoice should cite purchase order number, bid number, description of item purchased, unit and total price, discount terms and include the vendor's name and return remittance address.

Payment will be mailed within thirty (30) days of (a) the receipt and acceptance of the materials and (b) receipt of the properly completed invoice, and (c) all papers required to be delivered with the equipment/materials.

Surcharges for fuel, delivery/hauling, hazardous material disposal, environmental fees or similar will not be allowed. Relevant charges for these items shall be included in the base bid price.

Q. Payment Method – Credit Card Acceptance

The City, in its sole discretion, will determine the method of payment for goods and /or services as part of the agreement. The City's preferred method of payment is by procurement (credit) card. Respondents may be required to have the capability of accepting the City's authorized procurement card as a method of payment. No price changes or additional fee(s) may be assessed when accepting the procurement card as a form of payment.

R. Changes

Any proposed change in this contract shall be submitted to the City of Yakima Purchasing Manager for her prior approval and she will make the change by a contract modification. Any oral statement or representation changing any of these terms or conditions is specifically unauthorized and is not valid.

S. Materials Bought from Different Supplier

Should the contracted vendor be unable to or refuse to supply materials, on any given day, against this predetermined delivery schedule to which the supplier has agreed and the City is forced to do the work with materials bought from a different supplier, the difference in the Bid price of the materials and that paid the new supplier, in order to do the work, shall be charged to and paid for by the contracted vendor holding the Bid award for these products.

Vendor shall not, however, be responsible for delays in delivery due to:

1. Unavoidable mechanical breakdowns
2. Strikes
3. Inability to secure component materials
4. Acts of God
5. Fire

Provided the City of Yakima Purchasing Manager is notified in writing by the contracted vendor of such pending or actual delay. In the event of any delay, the date of delivery shall be extended for a period equal to the time lost due to the reason for the delay.

T. Termination - Convenience

This contract may be terminated by either party by giving thirty (30) days written notice of such intent and will become effective thirty (30) days from the date such written notice is delivered to the applicable party to the contract.

U. Termination - Cause

- D. The Contractor agrees that it will, to the maximum extent possible, obtain fuel at the lowest price available to the Contractor, and agrees that the City may require certification by the Contractor of its fuel cost and claimed fuel cost adjustment on each invoice submitted.

K. Technical Specification Analysis

Each bidder shall complete the "TECHNICAL SPECIFICATION ANALYSIS" section of the Bid Call and same shall be returned with the vendor's proposal. Failure to do so will be cause for rejection of said proposal.

Vendor shall check "YES" if they do comply 100% with that particular specification, or "NO" if they do not. If "NO" is checked, vendor must explain in the "COMMENTS" column on the right how their specification deviates. Checking "NO" on any item will not necessarily disallow vendors bid. For any exception to the delivery date specified in this order, Vendor shall give prior written notification and obtain written approval from the City. The acceptance by the City of later performance with or without objection or reservation shall neither waive the City's right to claim damages for such breach nor constitute a waiver of the requirements for the timely performance of any obligation remaining to be performed by Vendor. All quotations shall include delivery F.O.B. destination, freight pre-paid, unless otherwise stated in this "Bid Call" or "Invitation to Quote" at the designated address set forth in the proposal given to each bidder. When shipping addresses specify room identification, Vendor shall make such delivery thereto without additional charge. If the City grants specific authorization to ship goods F.O.B. Regardless of the F.O.B. Point specified above, Vendor agrees to bear all risk of loss, injury, or destruction of goods ordered herein which occur prior to actual physical delivery to the City, and such loss, injury, or destruction shall not release Vendor from any obligation hereunder.

10. Force Majeure

Vendor will not be responsible for delays in delivery due to acts of God, fire, Strikes, epidemics, war, riot, delay in transportation or railcar transport shortages, provided vendor notifies the Purchasing Manager immediately in writing of such pending or actual delay. Normally, in the event or any such delays (acts or God, etc.) the date of delivery will be extended for a period equal to the time lost due to the reason for delay.

11. Rejection

All goods and any services purchased in this order are subject to approval by the City. Rejection of goods or services, resulting because of nonconformity to the terms, conditions, and specifications of this order, whether held by the City or returned, will be at Vendor's risk and expense.

12. Approximate Quantity

The quantities listed are the City's current approximate requirements. The City of Yakima will neither be obligated by, nor restricted to, these quantities and may increase or decrease any item(s) ordered under this contract and pay according to the unit prices quoted in the Bid/Quote. If it is agreeable to both parties and prices have not changed and the same unit/materials are still available, additional units/materials may be ordered within 12 months of the signing of the original agreement.

13. Cooperative Purchasing

17. Public Disclosure

Proposals shall become the property of the City. All proposals shall be deemed a public record as defined in RCW 42.56 "Public Records." Any proposal containing language which copyrights the proposal, declares the entire proposal to be confidential, declares that the document is the exclusive property of the Vendor, or is any way contrary to state public disclosure laws or this RFP will be declared non responsive and removed from consideration. Any information in the proposal that the successful Vendor desires to claim as proprietary and exempt from disclosure under the provisions of RCW 42.56 must be clearly designated as described in Section Proprietary Information. The particular exception from disclosure upon which the Vendor is making the claim and the RFP page it is found on must be identified. RFP's will not be disclosed prior to release to potential respondents. With the exception of lists of prospective Vendors, the City will not disclose RFP records until execution of the contract(s). At that time, all information about the competitive procurement will be available with the exception of: Proprietary/confidential portion(s) of the successful proposal(s), until the Vendor has an adequate opportunity to seek a court order preventing disclosure. The City will consider a Vendor's request for exemption from disclosure; however, the City will make a decision predicated upon RCW 42.56.

18. Warranties

Vendor warrants that all goods and services furnished under this order are new, conform strictly to the specifications herein, are merchantable, good workmanship, free from defect, are fit for the intended purpose of which such goods and services are ordinarily employed and if a particular purpose is stated in a Special Condition, the goods are then warranted as for that particular purpose. Vendor further warrants that no violation of any federal, state or local law, statute, rule, regulation, ordinance or order will result from the manufacturer, production, sale, shipment, installation or use of any other goods. Vendor's warranties (and any more favorable warranties, service policies, or similar undertaking of Vendor) shall survive delivery, inspection, and acceptance of the goods or services.

19. Re-Award

When the contract is terminated by the vendor upon 30 days notice as herein provided, the City, pursuant to City ordinance, may re-award the contract to the next most responsible bidder. When a vendor is unable to supply goods and/or services to the City and is in breach of the contract, or when the contract is terminated by the City for cause as herein provided, the City reserves the right to re-award the contract to the next most responsible bidder.

20. Errors and Omissions

The City reserves the right to correct obvious ambiguities and errors in the Bidder's proposal and to waive non-material irregularities and/or omissions. In this regard, if the unit price does not compute to the extended total price, the unit price shall govern.

21. Late Receipt of Bid/Quote Documents

Bids and/or quotations and modifications received after the exact hour and date specified for receipt of bids and/or quotations will not be considered (i.e. if bid was due by 2:00 PM, any bids received after 2:00:00 PM will be rejected).

22. Licenses

If applicable, successful vendor shall have a valid and current business license per Chapter 5.02 Section 5.02.010 of the Yakima Municipal Code covering this type of business and shall satisfy all applicable City Code provisions. Said license shall be obtained prior to the award of any contract. Inquiries as to fees, etc., should be made to the Office of Code Administration, telephone (509) 575-6121.

In addition, Contractors are required to be registered by the State per Chapter 18.27 of the Revised Code of Washington and their registration number must be listed on the bid/quote.

23. Delivery of Unapproved Substitutions

Vendors are authorized to ship only those items ordered covered by the contract. If a review of orders placed by the City reveals that an item other than those covered by and specified in the contract have been ordered and delivered, the Purchasing Manager will take such steps as are necessary to have the item(s) returned to the contractor at no cost to the City regardless of the time elapsed between the date of delivery and discovery of the violation. Violation of this clause may result in the removal of the offending vendor's name from the City mailing list for a period of up to three (3) years.

24. "No Bids"

Vendors who are unable to or do not wish to submit a bid and are encouraged to respond by notating their bid "NO BID" on page one of the "BID CALL" and mailing it to the City of Yakima Clerk's Office, 129 North 2nd Street, Yakima, Washington, 98901, with the Bid/Quote due date and time written on the face of the envelope. It is the City's practice that if no response to a bid is received by a vendor after two consecutive mailings, the vendor will be deleted from our vendor's mailing list for that type of commodity item.

25. Non-Collusion

The Bidder represents, by the submission of the Proposal, that the prices in this bid/quote are neither directly nor indirectly the result of any formal or informal agreement with another bidder.

26. Evaluation of Bid/Quote

In the evaluation of otherwise responsible bids/quotes, the Bidder's experience, delivery time and responsibility in performing other contracts will be considered. In addition to price, the following may be considered:

- I. The ability, capacity and skill of the bidder to perform the contract and provide the services required.
- II. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference.
- III. The character, integrity, reputation, judgement, experience and efficiency of the bidder.
- IV. The quality of performance of previous contracts or service.
- V. The previous and existing compliance by the bidder with laws and ordinances relating to contracts or services.
- VI. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service.
- VII. The quality, availability, and adaptability of the supplies or contractual services to the particular use required.
- VIII. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract.

27. Taxes

The City will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The City is exempt from Federal Excise Tax. Where applicable, the City shall furnish a Federal Excise Tax Exemption certificate.

28. Non-Discrimination

During the performance of this Agreement, Contractor shall not discriminate in violation of any applicable federal, state and/or local law or regulation on the basis of race, color, sex, religion, national origin, creed, age, marital status, disability, honorably discharged veteran or military status, pregnancy, sexual orientation, political affiliation, or the presence of any sensory, mental or physical handicap, and any other classification protected under federal, state, or local law. This provision shall include but not be limited to the following: employment, upgrading, demotion, transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, selection for training, and the provision of services under this Agreement.

29. The Americans with Disabilities Act.

With regard to the services to be performed pursuant to this Agreement, Contractor agrees to comply with the Americans With Disabilities Act of 1990, 42 U.S.C. § 12101 et seq. (ADA) and its implementing regulations, and Washington State's anti-discrimination law as contained in RCW Chapter 49.60 and its implementing regulations. The ADA provides comprehensive civil rights to individuals with disabilities in the area of employment, public accommodations, state and local government services, and telecommunications.

30. Assignment. This Agreement, or any interest herein, or claim hereunder, shall not be assigned or transferred in whole or in part by the Contractor to any other person or entity without the prior written consent of the City. In the event that such prior written consent to an assignment is granted, then the assignee shall assume all duties, obligations, and liabilities of Contractor as stated herein.

31. Termination - Convenience

This contract may be terminated by either party by giving thirty (30) days written notice of such intent and will become effective thirty (30) days from the date such written notice is delivered to the applicable party to the contract.

32. Termination - Cause

The City reserves the right to terminate this contract at any time, upon written notice, in the event that the services of the Contractor are deemed by the City to be unsatisfactory, or upon failure to perform any of the terms and conditions contained in this agreement. In addition to the foregoing right of termination, the City may terminate this contract, with or without cause, upon thirty (30) days written notice to Contractor.

33. Delay of an Award

If, after bid/quote opening, administration problems threaten to delay award beyond the bidder's acceptance period, bidders shall be requested to extend the bid/quote acceptance period. This request must be made and confirmed in writing prior to the expiration date of their bids/quotes (with consent of sureties, if any) to avoid the need to re-advertise.

34. Venue

In the event that any litigation should arise concerning the construction or interpretation of any of the terms of the Agreement, the venue of such action of litigation shall be in the Courts of the State of Washington in and for the City of Yakima. This Agreement shall be governed by the laws of the State of Washington.

35. Defense and Indemnity Agreement

The vendor agrees to defend, indemnify and save harmless the City, its appointed and elective officers and employees, from and against all loss or expense, including but not limited to judgments, settlements, attorney's fees and costs by reason of any and all claims and demands upon the City, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons and on account to damage to property including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Vendor, his/her subcontractors, its successor or assigns, or its or their agent, servants, or employees, The City, its appointed or elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the City, its appointed or elected officials or employees. It is further provided that no liability shall attach to the City by reason of entering into this contract, except as expressly provided herein.

36. Permits

The vendor shall procure and pay for all permits and licenses necessary for the completion of the Contract, including those permits required by the City of Yakima. In the event a necessary permit is not obtained, the Vendor will not be permitted to work on items subject to said permit and any delays caused thereby will not be subject to extra compensation or extension.

37. Severability

If any term or condition of this contract or the application thereof to any person(s) or circumstances is held invalid, such invalidity shall not affect other terms, conditions or applications which can be given effect without the invalid term, condition or application. To this end, the terms and conditions of this contract are declared severable.

38. Waiver

Waiver of any breach or condition of this contract shall not be deemed a waiver of any prior or subsequent breach. No term or condition of this contract shall be held to be waived, modified or deleted except by an instrument, in writing, signed by the parties hereto.

39. Entire Agreement

This written contract represents the entire Agreement between the parties and supersedes any prior oral statements, discussions or understanding between the parties.

40. Protest Procedure

Any protest must be made in writing, signed by the protestor, and state that the vendor is submitting a formal protest. The protest shall be filed with the City of Yakima's Purchasing Manager at 129 No. 2nd St., Yakima, WA 98901, faxed to 509-576-6394 or emailed to sue.ownby@yakimawa.gov. The protest shall clearly state the specific factual and legal ground(s) for the protest, and a description of the relief or corrective action being requested. **Protests before award** shall be filed five (5) days before the solicitation due date, and **protests after the award** shall be filed five (5) days after Award Announcement (see below for details). The following steps shall be taken in an attempt to resolve the protest with the vendor:

Step I Purchasing Manager and Division Manager of solicitation try resolving matter with protester. All available facts will be considered and the City Purchasing Manager shall issue a decision. This decision shall be delivered in writing to the protesting vendor.

Step II If unresolved, within three (3) business days after receipt, the protest may be appealed to the Department Head by the Purchasing Manager.

Step III If still unresolved, within three (3) business days after receipt, the protest may be appealed to the City Manager (or his designee). The City Manager shall make a determination in writing to the vendor.

Grounds for Protest

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination, conflict of interest;
- Solicitation unduly constrains competition or contains inadequate or improper criteria;
- Errors in computing score;
- Non-compliance with procedures described in the solicitation or City Policy.

Protest Determination

Each review and determination of the protest shall issue a decision that either:

- Finds the protest lacking in merit and upholds the award; or
- Finds only technical or harmless errors in the acquisition process and determines the City to be in substantial compliance and therefore reject the protest; or
- Finds merit in the protest and provides options for correction, including, but not limited to, correcting the errors and re-evaluating the bids, reissuing the bid to begin a new process, or entering in to a contract that remedies the protest finding; or
- Makes other findings and determines other courses of action as appropriate.

Timeframe

Only protests and complaints received within the required timeframe for protest action are accepted for consideration.

Award Announcement

Purchasing shall announce the successful bidder via City Website, e-mail, fax, regular mail, or by any other appropriate means. Once the announcement is released by Purchasing, the protest time frame begins. The timeframe is not based upon when the vendor received the information, but rather when the announcement is issued by Purchasing. Though every effort will be made by Purchasing to distribute the announcement to the interested vendors, Purchasing is not responsible to assure that vendors receive the announcement. It is the responsibility of the vendors to obtain the announcement from Purchasing.

Award Regardless of Protest

When a written protest against making an award is received, the award shall not be made until the matter is resolved, unless the City determines that one of the following applies:

- The supplies or services to be contracted for are urgently required;
- Delivery or performance will be unduly delayed by failure to make award promptly;
- A prompt award will otherwise be advantageous to the City.

If the award is made, the file must be documented to explain the basis for the award. Written notice of the decision to proceed shall be sent to the protester and others who may be concerned.

The City retains the right to enter into any contract and nothing herein shall be construed to limit that authority in any manner.

41. Qualified Bids

The General Terms and Conditions and Supplemental Terms and Conditions included in this bid document will govern the performance of the work. No other terms and conditions will be accepted. Bids that are conditioned in any way, or Bids that take exception in any way to the City of Yakima's General and Supplemental Terms and Conditions, may result in the Bid being considered non-responsive.

42. Proprietary Material Submitted

Any information contained in the bid/RFP submitted that is proprietary must be clearly designated. Marking the entire bid as proprietary will be neither accepted nor honored. If a request is made to view a vendor's bid, the City of Yakima will comply according to the Open Public Records Act, Chapter 42.56 RCW. If any information is marked as proprietary in the proposal, such information will not be made available until the affected vendor has been given an opportunity to seek a court injunction against the requested disclosure.
