

City of Yakima/Yakima County Purchasing

April 6, 2015

Dear Sir or Madam:

Subject: Bid 11508-Q – Rotational Towing City/County

Addendum No. 1

Please see the following additions/clarifications to the RFQ document:

1. **Question:** Why does the specification call out a \$200,000 minimum coverage, but the sample COI show \$60,000 minimum coverage?

Answer: The \$60,000 would be per vehicle being towed (assuming only one at a time) and the \$200,000 would apply to any storage/impound yard.

2. **Question:** In the Automobile Liability box on the COI Sample; the “Any Auto” checkbox is checked and this would cover absolutely any autos.

Answer: As long as the following boxes are checked, the “Any Auto” doesn’t need to be checked:

Scheduled autos, non-owned autos, and hired autos

3. **Question:** What is the minimum definition for Garage Keepers and On-Hook coverage?

Answer: Confirmation that there is coverage during loading, unloading and transport, and storage of the vehicle being towed.

Please acknowledge receipt of this addendum on the signature form, page two (2), of the RFQ document. Thank you. If you have any questions please do not hesitate to call me at (509) 576-6787. I apologize for any inconvenience this addendum may have caused you.

Sincerely,

Colleen Bailey, CPPO, CPPB
