Subject: Storm Drain Project on SSgt Pendleton Way

Contact: Streets and Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Wednesday, April 14th, 2021

Storm Drain Project to Impact Traffic on SSgt Pendleton Way

A storm drain project will result in the closure of a section of SSgt Pendleton Way from Thursday, April 15th at 7:00 am through Monday, April 19th at 5:00 pm.

During the project, the section of SSgt Pendleton Way between 8th Street and 9th Street will be closed to traffic.

Access will be maintained as much as possible to homes and businesses in the project area. Emergency vehicles will be allowed through the project area if necessary.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Streets and Traffic Manager Joe Rosenlund at 576-6430.
