Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Wednesday, November 14th, 2018

Road Repair Project to Impact Traffic on 1st Street

A road repair project will impact traffic on a section of South 1st Street for part of each day on Thursday, November 15th and Friday, November 16th.

As a result of the project, traffic along the section of South 1st Street between Washington Avenue and Valley Mall Boulevard will be reduced to one lane in each direction on November 15th and November 16th from 7:00 am to 4:00 pm.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
