# **News Release**

**Subject: Water service line repairs on South 1<sup>st</sup> Street**

**Contact: Water Distribution Supervisor Emilio Lopez – 575-6196**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Monday, April 16<sup>th</sup>, 2018**

## **Water Service Line Repairs to Restrict Traffic on South 1<sup>st</sup> Street**

Water service line repairs will result in traffic restrictions on South 1<sup>st</sup> Street between Maple Street and Beech Street from Tuesday, April 17<sup>th</sup> through Friday, April 20<sup>th</sup>. Work on the project will begin at 7:00 am and last until 3:30 pm each day.

Traffic will be limited to one lane in both directions in the project area. Because of heavy traffic volumes on South 1<sup>st</sup> Street, drivers can expect delays. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
