News Release

Subject: 24th Avenue Speed Hump Installation

Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Tuesday, October 22nd, 2019

Speed Hump Installation to Impact Traffic on Portion of 24th Avenue

A speed hump installation project will result in the closure of a portion of 24th Avenue on Wednesday, October 23rd.

While the project is underway, the section of 24th Avenue between Summitview Avenue and Lincoln Avenue will be closed to through traffic. Work on the project will take place from 7:00 am to 3:00 pm on October 23rd.

It is important that cars not be parked on the street on 24th Avenue between Summitview and Lincoln while the project is ongoing. Cars parked on that section of 24th Avenue during the project hours may be towed at the owner's expense.

Drivers can expect delays in the project area. Detour routes around the project area will be available.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

Access to businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area.

The project may cause interruptions in scheduled refuse collection. Contact the City of Yakima Refuse Division at 575-6005 for more information.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Streets and Traffic Operations Manager Joe Rosenlund at 509-576-6430.
