Release Date: Friday, November 30th, 2018

Water Service Line Repairs to Restrict Traffic on North 2nd Street

Water service line repairs will result in traffic restrictions on North 2nd Street between Staff Sgt Pendleton Way and East Martin Luther King, Jr. Boulevard from Monday, December 3rd through Friday, December 7th. Work on the project will begin at 7:00 am and last until 3:30 pm each day.

Traffic will be restricted in both directions in the project area. Because of heavy traffic volumes on North 2nd Street, drivers can expect delays. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
