News Release

Subject: 1205 South 3rd Avenue Water Service Repairs

Contact: Water Distribution Supervisor Emilio Lopez – 575-6196

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Friday, March 6th, 2015

Drinking Water System Repair to Impact Traffic on South 3rd Avenue

Water service repairs will disrupt traffic in the northbound and southbound lanes of South 3rd Avenue on Monday, March 9th. The work will begin at 7:00 am and should be completed by 3:30 pm.

South 3rd Avenue between West Viola Avenue and West Prash Avenue will be restricted to one lane going north and south through construction zone.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor, Emilio Lopez at 575-6196.
