Traffic Signal Upgrade to Impact 3rd Street and Yakima Avenue

A traffic signal upgrade will impact the intersection of 3rd Street and Yakima Avenue tomorrow, Wednesday, June 22nd.

Crews will be upgrading the traffic signal heads at the intersection from 7:00 am to 1:00 pm this Wednesday. The traffic signal will not be in operation during the work hours. Traffic will be restricted to one lane in each direction with stop signs at the 4-way stop.

Drivers are reminded the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

This is the second in a series of 11 traffic signal upgrades the City is planning for intersections along Yakima Avenue over the next two months.

For more information, contact Traffic Operations Supervisor Dan Nickoloff at 509-576-6746.
