Release Date: Thursday, January 18th, 2023

City Asks Drivers to Avoid 3rd Ave and Mead Ave Intersection

Drivers are asked to avoid the intersection of 3rd Avenue and Mead Avenue if possible today, Thursday, as crews are replacing a traffic signal cabinet.

The traffic signal at the intersection is out for most of the day today. Traffic is restricted to one lane each way, with temporary stop signs in place.

Crews hope to have the work complete by 3:00 pm today.

A motor vehicle accident last night took out the traffic signal cabinet at the intersection, requiring installation of a new cabinet.

As always, schedules for these types of projects are subject to change because of weather, equipment failure, and emergencies.

For additional information, please contact Traffic Operations Supervisor Dan Nickoloff at 509-576-6746.
