Subject: 40th Avenue Median Project

Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Thursday, February 21st, 2019

Median Project to Impact Traffic on 40th Avenue and Powerhouse Road

Work on a concrete median will result in traffic being impacted on a section of 40th Avenue and a section of Powerhouse Road on Friday, February 22nd from 9:00 am to 11:00 am.

Traffic on 40th Avenue near Powerhouse Road will be restricted to one lane in each direction while the project is underway. The inside lanes of 40th Avenue in the area of Powerhouse Road will be closed while crews are working on the concrete median.

The section of Powerhouse Road between 40th Avenue and Castlevale Road will also be closed from 9:00 am on February 22nd until the project is completed.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the area will be maintained as best as possible and emergency vehicles will be allowed through the project areas if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information regarding these projects, contact Streets and Traffic Manager Joe Rosenlund at 576-6430.
