Subject: 4th Street and Yakima Avenue Traffic Signal

Contact: Traffic Operations Supervisor Dan Nickoloff – 509-576-6746

Communications & Public Affairs Director Randy Beehler – 509-901-1142

Release Date: Tuesday, June 14th, 2022

Traffic Signal Upgrade to Impact 4th Street and Yakima Avenue

A traffic signal upgrade will impact the intersection of 4th Street and Yakima Avenue this Wednesday, June 15th.

Crews will be upgrading the traffic signal heads at the intersection from 8:00 am to 1:00 pm this Wednesday. The traffic signal will not be in operation during the work hours. Traffic will be restricted to one lane in each direction with stop signs at the 4-way stop.

Drivers are reminded the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

This is the first in a series of 11 traffic signal upgrades the City is planning for intersections along Yakima Avenue over the next couple of months.

For more information, contact Traffic Operations Supervisor Dan Nickoloff at 509-576-6746.
