Release Date: Tuesday, March 8th, 2016

Utility Work to Close a Portion of North 4th Street

Installation of a water line will result in the closure of North 4th Street between East 9th Street and East 10th Street on Tuesday, March, 8th and Wednesday, March 9th. The work will begin at 7:00 am and should be completed by 3:30 pm each day.

Because of heavy traffic volumes in the area, drivers can expect delays near the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
