Subject: North 56th Ave and Englewood Ave Waterline Repair

Contact: Acting Water Distribution Supervisor Emilio Lopez – 575-6196

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Tuesday July 29th, 2014

Drinking Water System Repair to Impact North 56th Ave and Englewood

The repair of a leaking valve will disrupt traffic at the intersection of North 56th Avenue and Englewood Avenue on Wednesday, July 30th. The work will begin at 6:00 am and should be completed by 3:30 pm.

The intersection at North 56th and Englewood will be closed. Detour routes will be available on North 52nd Avenue and North 58th Avenue to Lincoln Ave.

Because of heavy traffic volume at this intersection, motorists can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Emilio Lopez, Acting Water Distribution Supervisor at 575-6196.
