News Release

Subject: 64th Avenue Street Closure

Contact: Construction Supervisor Bruce Floyd– 576-6138

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Friday, February 19th, 2016

Utility Work to Close Portions of 64th Avenue

The installation of water and sewer lines for a new housing development in West Valley will require the closure of South 64th Avenue between Ahtanum Road and Occidental Road early next week.

The closure is scheduled to begin at 7:00 AM on Monday, February 22nd and continue until 4:00 pm on Tuesday, February 23rd.

Utility crews must remove a 15-foot-wide section of 64th Avenue to bury the new lines and also deal with groundwater issues in the area.

Local access will be maintained as best as possible and detours around the construction activity will be clearly marked.

Drivers should use alternate routes if possible.

As always, the schedule for this type of project is subject to change because of weather, equipment failure, and emergencies.

For additional information about this project, contact Engineering Division Construction Supervisor Bruce Floyd at 576-6138.
