**Subject: Street Repair Work at 72<sup>nd</sup> and Tieton**

**Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Friday, October 18<sup>th</sup>, 2019**

## **Street Repair Work to Impact Traffic at Tieton Drive and 72<sup>nd</sup> Avenue**

A street repair project will result in lane closures in and around the intersection of Tieton Drive and 72<sup>nd</sup> Avenue from Monday, October 21<sup>st</sup> through Wednesday, October 23<sup>rd</sup>. Crews will be grinding out deteriorated asphalt and replacing it with new asphalt.

While the project is underway, only one lane of traffic in each direction will be allowed through the Tieton Drive and 72<sup>nd</sup> Avenue intersection. Work on the project will take place from 7:30 am to 3:30 pm on October 3<sup>rd</sup> and 4<sup>th</sup>.

Drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

Access to businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area.

The project may cause interruptions in scheduled refuse collection. Contact the City of Yakima Refuse Division at 575-6005 for more information.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Streets and Traffic Operations Manager Joe Rosenlund at 509-576-6430.
