Subject: 8th Avenue Sewer Line Install

Contact: Utility Project Manager Dana Kallevig – 509-249-6813

Communications & Public Affairs Director Randy Beehler – 509- 901-1142

Release Date: Friday, November 17th, 2023

Sewer Line Install to Close Section of 8th Avenue

The 1700 block of South 8th Avenue will be closed to traffic Monday, November 20th, so crews can install a new sewer service crossing.

The closure will be in effect during project work hours of 7:00 am to 5:00 pm Monday. Access to all properties in the project area will be available via intersections from the north and south ends of the 1700 block of South 8th Avenue.

The schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

Drivers are reminded the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until project completion.

Contact Utility Project Manager Dana Kallevig at 509-249-6813 for more information about the project.
