Volunteer Opportunities on City Boards, Committees and Commissions

The Yakima City Council is asking volunteers interested in serving on two newly-created exploratory committees to submit applications to the City Clerk's office and include a resume. The two exploratory committees are the Ethics and Equal Rights Exploratory Committee and the Community Integration Exploratory Committee. Additionally, there are openings on the reinstated Bicycle and Pedestrian Advisory Committee and the Southeast Community Center Advisory Committee. The City Council is asking volunteers interested in serving on those bodies to submit applications to the City Clerk's office.

It is the responsibility of the City Council to appoint people to serve on the governing bodies of those organizations. Additionally, committee members with appointments expiring may be asked to reapply.

The exploratory committees and the Bike/Ped Committee each have seven open positions. The Southeast Community Center Advisory Board currently has one open position.

The Community Integration Exploratory Committee and the Ethics & Equal Rights Exploratory Committee positions are for one-year terms and members must reside in the Yakima city limits. The exploratory committees are tasked with reviewing and evaluating what issues are occurring in Yakima that would fall under such a committee, as well as what other jurisdictions, cities and counties in Washington State and elsewhere are doing to address these issues. One member of the Ethics and Equal Rights Exploratory Committee should have a background in the law.

The Bicycle and Pedestrian Advisory Committee Board has seven members. Members serve a three-year term and must live within the Yakima city limits. The responsibilities of the committee are to review, comment, generate ideas, and advise the City Council on issues related to the development, maintenance, and planning of the network of facilities for bicycles and pedestrians including public streets, sidewalks, bike paths, pathways and related improvements; and to work with staff, committees, schools, affected residents, and neighborhoods or other interested groups on bicycle/pedestrian projects and implementation.

There are seven members on the Southeast Community Center Advisory Board, all of whom serve four-year terms and must live within Yakima city limits. The Board holds quarterly meetings and makes recommendations to the center operator and the City regarding management policies, operations, maintenance, and capital improvement needs. The appointees are based upon the recommendation of the Board of Directors.

Anyone interested in applying for openings can download an application from the City of Yakima website - <https://www.yakimawa.gov/council/assets/Application-form-for-City-of-Yakima-Boards-and-Commissions.pdf> -- or can pick up an application at the City Clerk's office at Yakima City Hall.
