# **News Release**

**Subject: Bridge Repair Project**

**Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Monday, June 25<sup>th</sup>, 2018**

## **Bridge Repair Project to Impact Traffic on Wide Hollow Road**

A bridge repair project will impact traffic on a section of Wide Hollow Road for most of each day today, June 25<sup>th</sup> and Tuesday, June 26<sup>th</sup>.

As a result of the project, Wide Hollow Road between 80<sup>th</sup> Avenue and 96<sup>th</sup> Avenue will be closed to all traffic from 6:00 am to 4:00 pm on June 25<sup>th</sup> and June 26<sup>th</sup>. Detour routes around the project area will utilize Zier Road and Tieton Drive.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
