Release Date: Monday, April 1st, 2019

Water Line Work to Close a Portion of Castlevale Road

Installation of a new water service line will result in the closure of Castlevale Road between 28th Avenue and 25th Avenue from Tuesday, April 2nd to Wednesday, April 3rd. Work on the project will take place from 7:00 am to 3:30 pm every day until completed.

Due of heavy traffic volume in the area, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Water Distribution Supervisor Emilio Lopez at 575-6196.
