Center Line Project to Close Section of North 32nd Avenue

North 32nd Avenue will be closed for two hours Thursday, October 1st, between Englewood Avenue and West Lincoln Avenue due to street striping.

City of Yakima crews will paint a new center line on that section of North 32nd Avenue between 12:45 pm and 2:45 pm on Thursday.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area if necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Streets and Traffic Manager Joe Rosenlund at 576-6430.
