City of Yakima Facilities Re-Open June 1st

Yakima City Hall and all City facilities will re-open to the public on Tuesday, June 1st. City buildings and facilities were previously closed due to COVID-19 precautions.

City employees and visitors who are fully vaccinated will not be required to wear face coverings. Masks will be required for City employees and visitors to City facilities who are not fully vaccinated.

In keeping with federal and state mandates, masks are required for all – those fully vaccinated and not fully vaccinated – on Yakima Transit buses and at Yakima Air Terminal-McAllister Field.

City meetings will continue to be held via Zoom for the time being, pending further guidance from Gov. Jay Inslee's office regarding public meetings.

A new kiosk outside City Hall also remains available to accept City utility (water, sewer, refuse) payments.
