Subject: City Crews to Install Downtown Holiday Decorations

Contact: Traffic Operations Supervisor Dan Nickoloff – 509-576-6746

Communications & Public Affairs Director Randy Beehler – 509-901-1142

Release Date: Wednesday, November 29th, 2023

City Installing Downtown Holiday Decorations

Crews from the City of Yakima will be installing approximately 80 lighted holiday decorations in Downtown Yakima from 8:00 am to 1:00 pm tomorrow, Thursday, November 30th.

Traffic will be restricted at times to a single lane to permit City trucks and equipment access to overhead street light and utility poles during the installation. The restrictions will only impact traffic in the immediate area where crews are working.

Decorations will be installed along the south side of Yakima Avenue and continue eastward. Crews will also install decorations on the north side of Yakima Avenue near the Yakima Convention Center and continue west to 1st Street. Decorations will also be hung along 1st Street between Martin Luther King Jr. Blvd. and Walnut Avenue.

As always, schedules for these types of projects are subject to change because of weather, equipment failure, and emergencies.

For additional information about the holiday decoration installation process, please contact Traffic Operations Supervisor Dan Nickoloff at 509-576-6746.
