## **Drainage Project to Close a Section of Englewood Avenue**

A section of Englewood Avenue will be closed to through traffic starting Thursday, October 12<sup>th</sup>, due to a drainage improvement project.

"The project length is 30 working days," said Construction Supervisor Bruce Floyd. "It should be completed just before Thanksgiving."

Englewood Avenue will be closed between 49<sup>th</sup> Avenue and 52<sup>nd</sup> Avenue during work hours at the site, from 7:00 am to 5:30 pm Monday through Friday. A detour will be available via Lincoln Avenue.

Traffic will resume on Englewood Avenue at night and weekends. Motorists can expect to see signs warning of rough roadways and cautioning motorcyclists about bumps in the road, Floyd said.

Work by Contractor DW Excavating of Davenport will include excavation, constructing curb and gutter, paving with hot mix asphalt, and replacing storm drain lines.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Floyd at 575-6138.
