Subject: Repairs to impact East Viola Avenue, East Mead Avenue

Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Friday, January 4th, 2019

Repairs to impact East Viola, East Mead avenues

Traffic restrictions will be in place on portions of East Viola Avenue and East Mead Avenue next Monday through next Friday, January 7th through 11th so crews can repair shoulders on the roadway.

Lane closures for both East Viola Avenue and East Mead Avenue are planned Monday through Friday from 7:00 am to 3:00 pm from Fair Avenue to Rudkin Road.

Signage, detours, and flaggers will be present to guide motorists during the shoulder repair project.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the area will be maintained as best as possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
