# **News Release**

**Subject: Sewer Line Installation Project**

**Contact: Construction Supervisor Bruce Floyd – 575-6138**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Friday, March 20<sup>th</sup>, 2015**

## **Portion of Fair Avenue to be Closed During Sewer Installation**

The installation of new sewer service to a retail center will result in daytime closures of a portion of Fair Avenue during the first three days of next week.

Fair Avenue between Nob Hill Boulevard and Lafollette Street will be closed to all traffic from 8:00 am to 10:00 am on Monday, March 23<sup>rd</sup> and from 7:00 am to 7:00 pm on Tuesday, March 24<sup>th</sup> and Wednesday, March 25<sup>th</sup> while sewer lines are extended to the Fiesta Foods retail center. That section of Fair Avenue will be open to traffic overnight on Tuesday.

A detour around the project area will route drivers along 6<sup>th</sup> Street to Wilson Lane and then back to Fair Avenue.

While the project is underway, drivers can expect delays on roads near the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area when necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Construction Supervisor Bruce Floyd at 575-6138.
