Release Date: Monday, March 23rd, 2020

Fisher Park Golf Season Postponed due to COVID-19

The golfing season is postponed indefinitely at the City of Yakima's Fisher Park Golf Course. The course was scheduled to open this Friday, March 27th.

"We are going to postpone the opening until further notice due to concerns and restrictions associated with COVID-19," said Recreation Supervisor Tami Andringa.

Yakima Parks and Recreation also reminds the public that playground equipment at City parks is not available due to the COVID-19 pandemic.

The City previously closed the Harman Center, Lions Pool and all Parks and Recreation programs due to the virus.
