Subject: Grind and Overlay Project

Contact: Streets and Traffic Manager Joe Rosenlund – 576-6430

Community Relations Manager Randy Beehler – 901-1142

Release Date: Thursday, July 26th, 2012

Grind and Overlay Project at 16th Avenue and Tieton Dr. Begins Next Week

Drivers are encouraged to avoid the intersection of 16th Avenue and Tieton Drive next week while a grind and overlay paving project is underway.

Beginning on Monday, July 30th, City of Yakima crews will be working at the busy intersection from 6:00 am to 4:00 pm. Work is expected to be completed by Thursday, August 9th.

Traffic will be restricted to one lane each way with left turns being limited or prohibited at times. Drivers should also expect delays of up to 20 minutes. If possible, motorists are encouraged to use alternate routes until the project is completed.

As always, the schedule for street and traffic projects is subject to change daily, dependant on weather, equipment failure and emergencies.

For additional information regarding current and planned street and traffic projects, contact the City of Yakima Streets Division by phone (575-6005) or by e-mail (traffic@ci.yakimawa.us).
