### PUBLIC SERVICE ANNOUNCEMENT

FOR IMMEDIATE RELEASE

July 9, 2013

Construction Activities for:

**July 10, 2013 to July 11, 2013**

### Citywide Street Resurfacing Project

This project rebuilds and improves various street segments throughout the city. Work includes pavement repair, planing bituminous pavement, paving with hot mix asphalt, constructing ADA ramps and pavement markings. The overall project is scheduled to be completed in 90 working days, which extends the project into late October, 2013.

Roadway grinding and roadway paving will occur Wednesday and Thursday nights. This work and roadway closures will be as follow:

#### **Wednesday July 10<sup>th</sup>**

For **roadway grinding** activities, Nob Hill Blvd will be closed to all traffic from the Overpass west of 1<sup>st</sup> Street, easterly **to Fair Avenue**; this includes the closure of the 1<sup>st</sup> Street & Nob Hill Blvd intersection and 1<sup>st</sup> Street immediately adjacent to Nob Hill Blvd.

The 6<sup>th</sup> Street intersection at Nob Hill Blvd will remain open for traffic detours.

#### **Thursday July 11<sup>th</sup>**

For **roadway paving** activities, Nob Hill Blvd will be closed to all traffic from the Overpass west of 1<sup>st</sup> Street, **easterly to 6<sup>th</sup> Street**; this includes the closure of the 1<sup>st</sup> Street & Nob Hill Blvd intersection and 1<sup>st</sup> street immediately adjacent to Nob Hill Blvd. Closure will be in place from 8:00 p.m. to 6:00 a.m.

For **roadway grinding AND paving** activities, Washington Avenue from Nob Hill Blvd. will be closed to all traffic from 1<sup>st</sup> Street, **easterly to 14<sup>th</sup> Street**; Closure will be in place from 8:00 p.m. to 6:00 a.m.

Detours will be in place both days to redirect traffic.

Motorists and Pedestrians are advised to be aware of heavy equipment.  
Please use alternate routes when you can.
