Harman Center Movie Nights Return April 12th

Jimmy Stewart, Humphrey Bogart, and Audrey Hepburn will grace the silver screen during Spring Classic Movie Nights at the City of Yakima's Harman Center.

"Come enjoy the movies, everyone's invited," said Recreation Program Supervisor Leslie Richards. Showtime is 6:00 pm for each of the five movies scheduled.

The free film series will begin with the Jimmy Stewart classic "Harvey" showing on Thursday, April 12th.

Other films will include

- "Casablanca" on April 26th.
- "Some Like it Hot" on May 10th.
- "Breakfast at Tiffany's" on May 24th.
- "Blue Hawaii" on June 7th.

Each movie night will also feature a raffle of gift cards donated by local businesses. Proceeds from raffle ticket sales will benefit the Harman Center, Richards said.

Refreshments will also be available during the movie nights.
