A free Shakespeare production, a second annual iron chef event, projects to help the community, and much more are included in the Winter 2019 Newsletter published by the City of Yakima's Harman Center at Galleon Park.

The newsletter covers activities at the center scheduled during January, February, and March. It includes event announcements, as well as a weekly schedule calendar of ongoing favorites such as fitness and education classes.

Harman Center community projects begin with a program to knit hats and blankets for premature newborns and chemotherapy patients.
