Free Landscaping Workshop Rescheduled due to COVID-19

The Spring 2020 Heritage Garden workshop at Yakima Area Arboretum has been tentatively rescheduled due to COVID-19 concerns and restrictions. The workshop, originally scheduled for Saturday, March 28th, will instead be held on Sunday, May 17th from 9:00 am to 12:00 pm

“We currently have 80 attendees registered,” said Heather Wendt, Assistant Manager Benton and Franklin Conservation Districts. “We are playing this event by ear and we will cancel or move it again as necessary.”

The free workshop is titled "Sharing the Love for Native Plants & Pollinators." It is presented by the North & South Yakima Conservation Districts, as well as the Benton Conservation District. The Yakima Basin Integrated Plan (YBIP) Municipal Water Conservation Committee is one of the workshop sponsors.
