Release Date: Tuesday, October 31st, 2017

Harman Center to Host Holiday Bazaar

The City of Yakima's Harman Center, located at 101 North 65th Avenue, will host its annual Holiday Bazaar from 8:00 am to 3:00 pm on Saturday, November 4th.

"We extended it by two hours to give the public more time to shop. It was too short for people to have time to get here," said Recreation Program Supervisor Leslie Richards. "The vendors are excited. It should be a really fun event."

As many as 60 vendors are expected to be on hand, offering items ranging from handmade crafts to jewelry.

To create more parking options, a shuttle will be offered to shoppers from nearby Summitview Elementary School directly to the Harman Center.

Yakima Valley Senior Citizens, Inc. will offer breakfast and lunch during the bazaar at a cost of \$5 each.
