Release Date: Tuesday, June 26th, 2018

Harman Center Hosting First Lego Contest

The community has a chance to sharpen its building skills and earn prizes during the City of Yakima's Harman Center first-ever Lego Contest from 10:00 am to 2:00 pm on Saturday, July 14th.

Contestants must pre-register for the Lego contest by Monday, July 9th. They can pre-register at the Harman Center's front desk at 101 N. 65th Avenue or by calling 575-6166.

"Our hope is for a multi-generational event, with parents, grandparents, children having fun together with Legos," said Recreation Program Supervisor Leslie Richards.

Prizes in the form of gift cards donated by local businesses will be awarded to assembled Lego entries submitted in three different categories: Set Built, Original Built, and Machine Original Built.

Members of the Harvest Lego User Group will serve as judges for the competition.
