**Subject: Manhole Cover Replacement on Lincoln Avenue**

**Contact: Wastewater Collections Supervisor Bob Brown – 406-7103**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Tuesday, June 8<sup>th</sup>, 2021**

## **Manhole Cover Replacement to Impact Lincoln Avenue Traffic**

Replacement of a sewer manhole cover will impact traffic tomorrow morning, Wednesday, June 9<sup>th</sup>, on a section of Lincoln Avenue.

Eastbound traffic on Lincoln Avenue will be limited to one lane between North 16<sup>th</sup> Avenue and North 17<sup>th</sup> Avenue so City of Yakima Wastewater Division crews can replace the manhole cover.

Traffic restrictions will be in place during project work hours of 6:00 am to 8:00 am tomorrow.

Drivers are reminded the speed limit is 20 miles per hour through all traffic-related work zones within the City of Yakima.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Wastewater Collections Supervisor Bob Brown at 406-7103.
