News Release

Subject: Sewer Line Installation Project

Contact: Construction Supervisor Bruce Floyd – 575-6138

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Friday, April 10th, 2015

Portion of Lincoln to be Closed During Sewer Installation

The installation of new sewer service will result in daytime closure of a portion of Lincoln Avenue on Monday, April 13th.

Lincoln between 60th Avenue and 63rd Avenue will be closed to all traffic from 7:00 am to 4:00 pm on April 13th. Detour routes will be in place to allow drivers to avoid the project area.

While the project is underway, drivers can expect delays on roads near the project area. Drivers should use alternate routes if possible until the work is completed.

Access to homes and businesses in the project area will be maintained as best as possible and emergency vehicles will be allowed through the project area when necessary.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Construction Supervisor Bruce Floyd at 575-6138.
