## **Maintenance Requires Closing Lions Pool Aug. 5-18**

Lions Pool, an indoor facility owned and operated by the City of Yakima, is closed from Monday, August 5<sup>th</sup>, through Sunday, August 18<sup>th</sup>, so needed annual maintenance on the pool can be performed.

Yakima Parks & Recreation crews are sprucing up several parts of the facility during the closure. General maintenance and repairs will be completed during the closure and some areas of the facility will be repainted.

"We ask the users of Lions Pool to be patient while we get the needed annual maintenance taken care of," said Yakima Parks & Recreation Manager Ken Wilkinson. "There is never a perfect time to close the pool for annual maintenance, but this time of year tends to be the slowest at Lions. So now is a good time to get the work done," said Wilkinson.

The City of Yakima's outdoor pool, Franklin Pool, is open.
