# **News Release**

**Subject: Manhole Cover Replacement**

**Contact: Wastewater Collections Supervisor Bob Brown – 406-7103**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Tuesday, August 9<sup>th</sup>, 2016**

## **Manhole Cover Replacement at 9<sup>th</sup> Avenue and Nob Hill to impact Traffic**

A project to replace a manhole cover in the intersection of 9<sup>th</sup> Avenue and Nob Hill Boulevard will impact traffic in the area near the intersection for most of the morning on Wednesday, August 10<sup>th</sup>.

City of Yakima Wastewater Division crews will be working on the project between 6:00 am and 12:00 pm on August 10<sup>th</sup>. As a result of the project, the eastbound, outside lane of Nob Hill Boulevard between 7<sup>th</sup> Avenue and 9<sup>th</sup> Avenue will be closed while the work is underway.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the area will be maintained and traffic will be allowed through the project area when possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Wastewater Collections Supervisor Bob Brown at 406-7103.
