---

**Subject: Manhole Cover Replacement**

**Contact: Wastewater Collections Supervisor Bob Brown – 406-7103**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Wednesday, September 11<sup>th</sup>, 2019**

## **Manhole Cover Replacement on Mead Avenue to Impact Traffic**

A project to replace a manhole cover on Mead Avenue between Rock Avenue and Landon Avenue will impact traffic in the morning on Thursday, September 12<sup>th</sup>.

City of Yakima Wastewater Division crews will be working on the project between 6:00 am and noon on September 12<sup>th</sup>. As a result of the project, the outside, westbound lane on Mead Avenue will be closed while the project is underway.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the area will be maintained and traffic will be allowed through the project area when possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Wastewater Collections Supervisor Bob Brown at 406-7103.
