News Release

Subject: Tree Removal on Naches Avenue and Yakima Avenue

Contact: Streets and Traffic Manager Joe Rosenlund – 576-6430

Communications & Public Affairs Director Randy Beehler – 901-1142

Release Date: Sunday, December 16th, 2018

Tree Removal to Impact Traffic on Naches Avenue and Yakima Avenue

A tree removal project will impact traffic on a portion of Naches Avenue and a portion of Yakima Avenue during the day from Monday, December 17th through Thursday, December 20th.

As a result of the project, Naches Avenue will be closed between Yakima Avenue and Chestnut Avenue from 7:00 am to 3:00 pm from December 17th through December 20th. Eastbound traffic through the Naches Avenue and Yakima Avenue intersection will be restricted to one lane while the project is underway. Flaggers will be on site to help drivers navigate through the project area.

Drivers are reminded that the speed limit through all traffic-related works zones within the City of Yakima is 20 miles-per-hour.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes until the project is completed.

Access to homes and businesses in the project area will be maintained as best as possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
