## **Nob Hill Boulevard Overpass Repairs to Impact Traffic**

East Nob Hill Boulevard overpass traffic will be limited to one lane at times tomorrow, Wednesday, January 25<sup>th</sup>, to replace damaged bridge railing.

Traffic restrictions will be in effect during project work hours of 7:00 am to 2:00 pm on Wednesday. There will be railing repairs on both sides of the overpass.

Because of heavy traffic volume, drivers can expect delays in the project area. Drivers should use alternate routes if possible until the work is completed.

Drivers are reminded that the speed limit through all traffic-related work zones within the City of Yakima is 20 miles-per-hour.

As always, the schedule for this type of project is subject to change daily dependent on weather, equipment failure, and emergencies.

For more information about the project, contact Street Maintenance Supervisor Jay Kendall at 509-576-6443.
